

Chrome Plated Rod For Hydraulic Cylinder Of Engineering

Our Product Introduction

for more products please visit us on outdoorpower-station.com

Basic Information

- Brand Name: TIANJIN TOEC HUADIAN TECHNOLOGY CO., LTD
- Model Number: HD-R001

Product Specification

- Rod Dia: 30mm-150mm
- Body Material: CK45; 40Cr; 27SiMn; Ect.
- Rod End Type: Threaded; Threadless
- Tolerance: Customer Requirement (ISO F7/f8 ...)
- Roughness: $Ra \leq 0.2$
- Hardness: $HRC \geq 53$; $HV \geq 890$
- Coating: Hard Chrome
- Thickness: 0.025mm-0.1mm
- Highlight: **engineering Chrome plated rod,
hydraulic cylinder Chrome plated rod,
Rod For Hydraulic Cylinder**

Product Description

We usually export large quantities to foreign countries. Hope to find more trade partners.

Product Description:

Smooth surface
Uniform color and texture
No cracks and bubbles
Special grinding and polishing processing
Resistant to friction and corrosion
Guaranteed quality

General specifications:

1. Material: CK45; 40Cr; 27SiMn; ect.
2. Length: 300mm-2600mm
3. Diameter: 30mm-150mm
4. Coating: Hard Chrome
5. Hardness: HRC \geq 53;HV \geq 890
6. Thickness: 0.025mm-0.1mm
7. Roughness: Ra \leq 0.2
8. Gun drill: depth \leq 1.5m
9. Tolerance: Customer Requirement (ISO f7/f8 ...)
10. Resistance to corrosion: Salt spray test \geq 96 hours min

Application:

1. Hydraulic cylinder of engineering
2. Hydraulic cylinder for mining machine
3. Tie-rod cylinder for agricultural machine
4. Hydraulic cylinder for graders
5. Hydraulic cylinder for garbage truck
6. Hydraulic cylinder for loader
7. Customer ordered cylinder

Our advantages:

Independent design and calculation
Good knowledge of the specialty
Reliable processing technology
Serious attitude and good capability
Perfect quality management system
Highly recommended as a honesty company
Provide custom made manufacturing service according to specific requirement

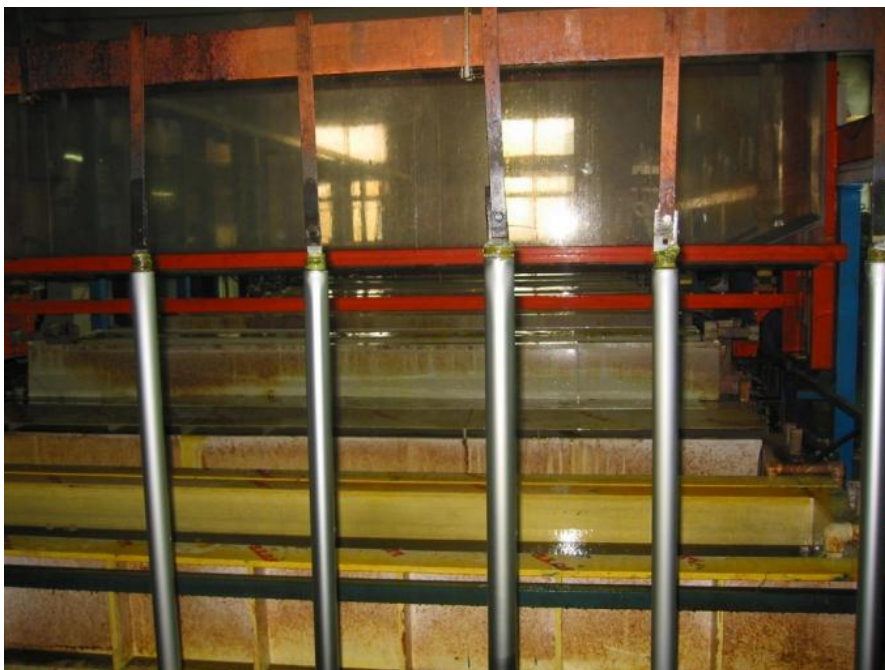

You can get one-stop service here:

1. Professional engineers for designing and improving before ordering.
2. Professional equipment for machining and producing after ordering
3. Professional inspection control system for checking the quality before shipping

How can we guarantee quality?

Always a pre-production sample before mass production,
Always process with professional design and production team
Always 100% final inspection before shipping

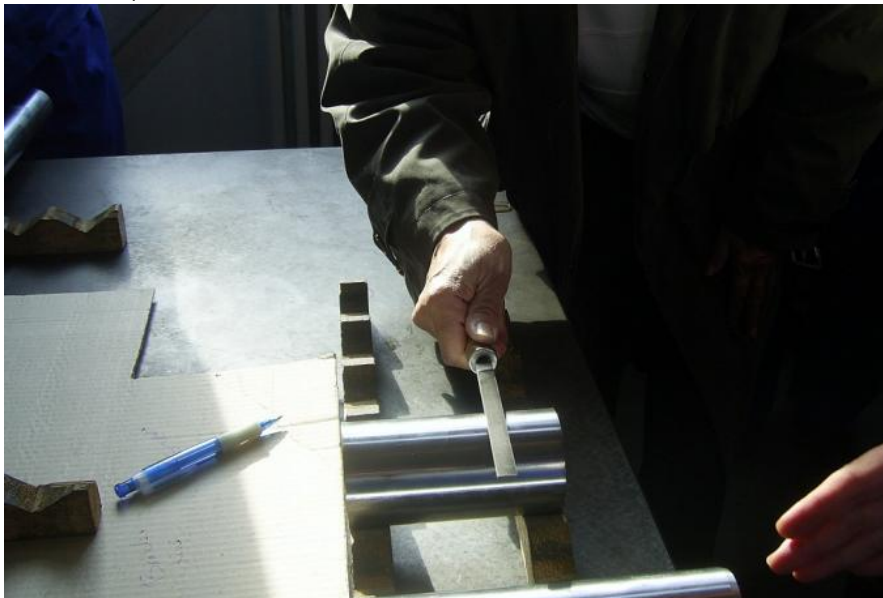

Chrome plating line:

Inspection:
Thickness inspection:

Hardness inspection:

Salt spray test:

Customer built is the first principle for us.

Factory Price + Senior Design and Production Team + Adequate Supply Capacity + Professional Quality Control + Punctual

delivery time

Customized common questions:

Q1. What does your company do?

A: We are a supplier of high quality hydraulic cylinders and cylinder components.

Q2. Are you a manufacturer or a trading company?

A: We are a manufacturer.

Q3. Can you provide a sample before a big order?

A: Yes, of course.

Q4. How about your quality?

A: We have supplied our hydraulic cylinders and cylinder components to the Europe, South America, North America and domestic customers for over 30 years. We have professional engineers for designing, professional equipment for processing and professional quality control system for checking. We are confidence to supply good products to our customers all over the world.

Q5. How long has your company run in Hydraulic Fields?

A: Over 30 years.

Q6. How to get a quotation?

As our products are non-standard products, we need customers to provide specific drawings for quotation.

The raw materials used, difficulty of processing, quality requirements, quantity demanded and type of packaging will all have an impact on the price. The more detailed the information you provide, the more accurate our quotation will be.

Q7. How long is your delivery time?

A: The delivery time depends on the raw materials used, difficulty of processing, quantity demanded, type of packaging and other factors. But we will do our best to meet customer requirements.

Q8. How do you make our business long-term and good relationship?

A: We keep good quality with competitive price to ensure our customers benefit.

We respect every customer as our friend and we sincerely do business and make friend with them, no matter where they come from.
