

Chrome Plated Rod Hydraulic Cylinder Parts With Outside Thread

Our Product Introduction

for more products please visit us on outdoorpower-station.com

Basic Information

- Brand Name: TIANJIN TOEC HUADIAN TECHNOLOGY CO., LTD
- Model Number: HD-R003

Product Specification

- Rod Dia: 30mm-150mm
- Body Material: CK45; 40Cr; 27SiMn; Ect.
- Rod End Type: Outside Threaded
- Tolerance: Customer Requirement (ISO F7/f8 ...)
- Roughness: $Ra \leq 0.2$
- Hardness: $HRC \geq 53$; $HV \geq 890$
- Coating: Hard Chrome
- Rod Length: 300mm-2600mm
- Highlight: outside thread Chrome plated rod ,
Chrome Plated Rod hydraulic cylinder parts,
hydraulic cylinder parts With Outside Thread

Product Description

We usually export large quantities to foreign countries. Hope to find more trade partners.

Product Description:

Smooth surface
Uniform color and texture
No cracks and bubbles
Special grinding and polishing processing
Resistant to friction and corrosion
Guaranteed quality

General specifications:

1. Material: CK45; 40Cr; 27SiMn; ect.
2. Length: 300mm-2600mm
3. Diameter: 30mm-150mm
4. Coating: Hard Chrome
5. Hardness: HRC \geq 53;HV \geq 890
6. Thickness: 0.025mm-0.1mm
7. Roughness: Ra \leq 0.2
8. Gun drill: depth \leq 1.5m
9. Tolerance: Customer Requirement (ISO f7/f8 ...)
10. Resistance to corrosion: Salt spray test \geq 96 hours min

Application:

1. Hydraulic cylinder of engineering
2. Hydraulic cylinder for mining machine
3. Tie-rod cylinder for agricultural machine
4. Hydraulic cylinder for graders
5. Hydraulic cylinder for garbage truck
6. Hydraulic cylinder for loader
7. Customer ordered cylinder

Our advantages:

Independent design and calculation
Good knowledge of the specialty
Reliable processing technology
Serious attitude and good capability
Perfect quality management system
Highly recommended as a honesty company
Provide custom made manufacturing service according to specific requirement

You can get one-stop service here:

1. Professional engineers for designing and improving before ordering.
2. Professional equipment for machining and producing after ordering
3. Professional inspection control system for checking the quality before shipping

How can we guarantee quality?

Always a pre-production sample before mass production,
Always process with professional design and production team
Always 100% final inspection before shipping

Customer built is the first principle for us.

Factory Price + Senior Design and Production Team + Adequate Supply Capacity + Professional Quality Control + Punctual delivery time
