

Wall Mounted Home EV Charging Station For Fast Charging Experience

Our Product Introduction

Basic Information

- Brand Name: TIANJIN TOEC HUADIAN TECHNOLOGY CO., LTD
- Model Number: HD-MRS-GU-07032

Product Specification

- Power: 7KW
- Voltage: 220V
- Current: 32A
- Ethernet+4G: Optional
- WIFI: Optional
- Cable: Customizable
- Shell: PC Flame Retardant+tempered Glass
- Plug Head: PC Flame Retardant IP67
- Highlight: **Wall Mounted Home EV Charging Station,
Fast Charging Home EV Charging Station,
Wall Mounted EV Charging Station**

Product Description

We usually export large quantities to foreign countries. Hope to find more trade partners.

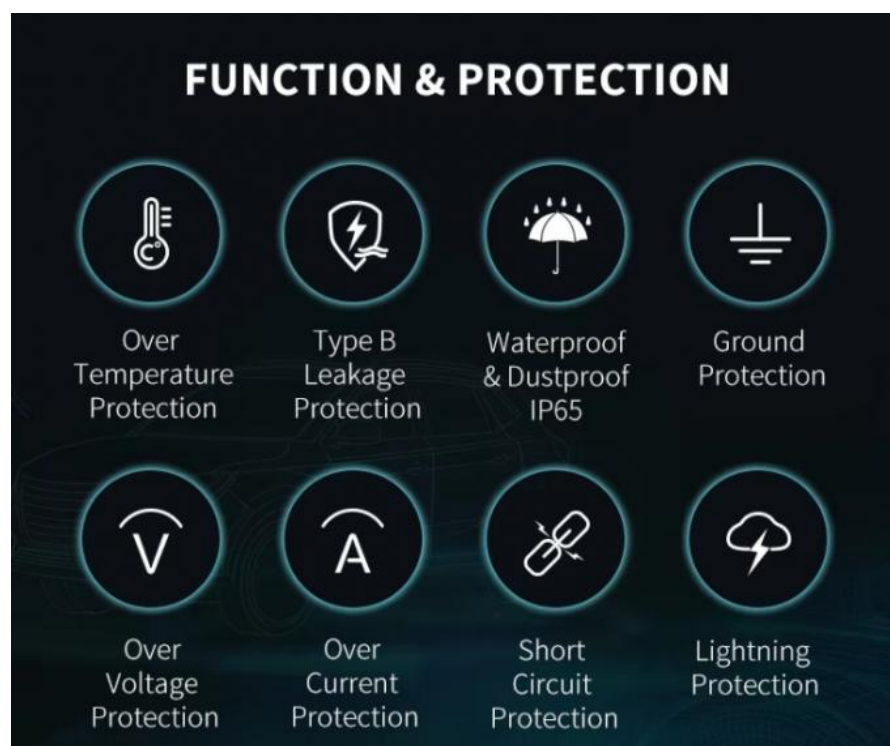

Ac charging pile/Plug and charge

Product Specifications:

Type	HD-MRS-GU-07032
Power	7KW
Voltage	220V
Current	32A
Credit card function	optional
Display screen	optional
WIFI	optional
4G	optional
Ethernet+4G	optional
Package size	460*300*250mm
G.W.	6KG
Cable	customizable
Color	Black/Golden/Gray
Shell	PC flame retardant+tempered glass
Cable	TPE retardant (Superior)
Plug head	PC flame retardant IP67
Relay	Dual magnetic hold 80A

Product Features:

1. Wall-mounted design, highly integrated, miniaturized and lightweight.
2. Easy to install, to achieve a fast charging experience at home.
3. Perfect safety protection function, with short circuit over-current protection, leakage protection, lightning protection and other functions.
4. Integrated design, easy installation and construction on site.

matters needing attention

1. Do not put the product into water!
2. Do not heat the product or approach a fire source! Do not disassemble or modify the product without authorization! Do not forcefully strike the product! Otherwise It may cause other hazards such as overheating, short circuit, fire, functional failure, and shortened lifespan of the battery.
3. Disassembly and assembly prohibited
4. It is prohibited to use non dedicated vehicles for charging, as it may cause danger;
5. If there is leakage, do not directly touch the leakage. The leaked electrolyte can cause skin discomfort. In case the electrolyte enters the eyes, rinse with clean water as soon as possible, do not rub the eyes, and promptly seek medical attention;

Application

Suitable for public parking lots, residential areas, etc., mainly for passenger cars.
