#### Basic Information

- Brand Name: TIANJIN TOEC HUADIAN TECHNOLOGY CO., LTD
- Model Number: HD-PORTABLE-4

#### Product Specification

- Capacity: 1408Wh
- Size: 454\*570\*235mm
- Weight: 19 Kg
- Input: AC 1500W
- USB Output: USB  
PD100W(5V/3A;9V/3A;12V/3A;15V/3A;20V/5A)\*2
- Peak Current: 1000A
- Highlight: **Outdoor Activities Portable Power Station,  
Easy Portability Portable Outdoor Power Station  
, Emergencies Portable Outdoor Power Station**

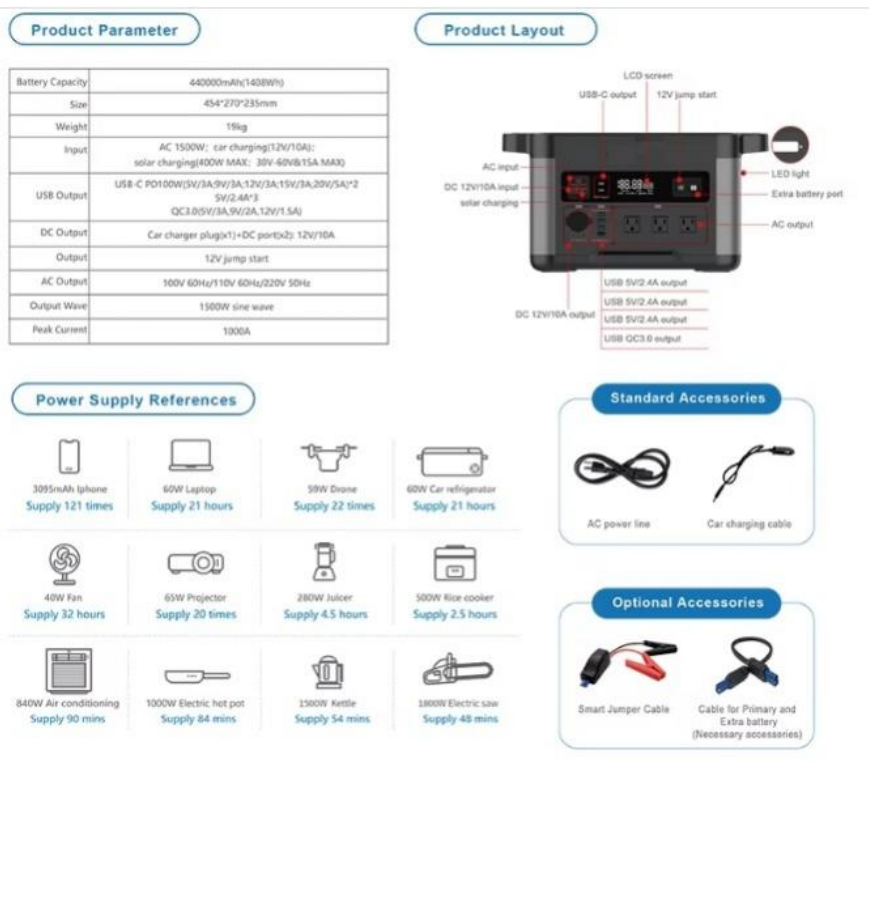

## Product Description

We usually export large quantities to foreign countries. Hope to find more trade partners.

This is a portable power station, commonly used to provide power support for various electronic devices. As shown in the image, this power station is equipped with multiple interfaces, including AC outlets and USB ports, catering to the charging needs of a wide range of devices.

The portable power station is a versatile and reliable source of backup power, ideal for outdoor activities, emergencies, or off-grid living.

In earthquake and tsunami-prone areas, it can form a small power generation system with solar panels to meet emergency electricity demand.
