

Tesla CCS1 Adapter 250A 1000V DC IP54 Waterproof

Our Product Introduction

for more products please visit us on outdoorpower-station.com

Basic Information

- Brand Name: TIANJIN TOEC HUADIAN TECHNOLOGY CO., LTD
- Model Number: HD-T-CCS1-V01

Product Specification

- Waterproof Grade: IP54
- Current: 250A
- Operating Voltage: 100-1000V DC
- Operating Temperature: -40F-122F
- Anti-theft: Design
- Service Life: 10000 Times
- Highlight: Tesla CCS1 adapter 250A,
CCS1 adapter waterproof IP54,
EV charger adapter 1000V DC

Product Description

We usually export large quantities to foreign countries. Hope to find more trade partners.

Supercharge Your Tesla with our CCS1 Adapter!

Are you a Tesla owner frustrated by the scarcity of compatible charging stations? Say goodbye to those charging woes with our CCS1 Adapter!

Why Choose Our CCS1 Adapter?

- **Unmatched Compatibility:** Specifically designed for Tesla vehicles, this adapter allows you to connect to CCS1 charging stations, significantly expanding your charging options.
- **Top - Tier Performance:** Boasting an operating voltage of up to 1000V DC and a maximum current of 250A, it ensures a rapid and efficient charging experience, getting you back on the road in no time.
- **Durability and Reliability:** With an IP54 protection level, it can withstand various environmental conditions. The service life of 10,000 insertions and removals guarantees long - term use.
- **Secure and Stable:** The anti - theft design provides an extra layer of security, while the low contact resistance of 5mΩ ensures stable and efficient power transmission.

Check If Your Vehicle Is CCS Enabled

It's simple! Just follow these steps: Controls > Software > Additional Vehicle Information > CCS Adapter Support – Check if enabled. Make sure your vehicle is ready for this amazing upgrade.

Don't let charging limitations hold you back. Embrace the freedom of convenient and fast charging with our CCS1 Adapter. Order yours today and revolutionize your Tesla driving experience!
