

## CCS1 Adapter for Tesla - 250A 100-1000V DC IP54 Waterproof

### Our Product Introduction

for more products please visit us on [outdoorpower-station.com](http://outdoorpower-station.com)

#### Basic Information

- Brand Name: TIANJIN TOEC HUADIAN TECHNOLOGY CO., LTD
- Model Number: HD-T-CCS1-V01

#### CCS1 adapter

CCS1 adapter storage case is made of high-grade eva, with shockproof, dustproof, anti-slip, impact-resistant features, providing comprehensive protection.

#### Product Specification

- Waterproof Grade: IP54
- Current: 250A
- Operating Voltage: 100-1000V DC
- Operating Temperature: -40F-122F
- Anti-theft: Design
- Service Life: 10000 Times
- Highlight: **Tesla CCS1 adapter 250A, waterproof EV charger adapter, high voltage DC adapter**

## Product Description

We usually export large quantities to foreign countries. Hope to find more trade partners.

# CCS1 Adapter: The Ultimate Charging Upgrade for Tesla Owners

For Tesla drivers, the hunt for a charging station that works seamlessly can be a real headache. But fret no more, because our CCS1 Adapter is here to transform your charging experience.

### A World of Charging Options

With this adapter, your Tesla gains access to the extensive CCS1 charging network. Whether you're on a road trip or just running errands around town, you'll always find a charging station nearby. No more stressing about whether you'll make it to the next charging point.

### Built to Last

Our CCS1 Adapter is engineered for durability. It can handle up to 10,000 insertion and withdrawal cycles, so you can count on it for the long haul. And with an IP54 protection rating, it's resistant to dust and water, making it suitable for use in all kinds of weather conditions.

### Safety You Can Trust

Safety is our top priority. The adapter features an anti-theft design to keep your vehicle secure while charging. Additionally, the low contact resistance ensures a stable and efficient power transfer, reducing the risk of overheating or other charging issues.
