

## Portable Outdoor Power Station with 500W AC Output 12V DC Output and Lightweight 13.32 Lbs Design

### Basic Information

### Product Specification

- Ac Output: 500W
- Dc Output: 12V, 10A
- Operating Temperature: -10 ~50
- Weight: 13.32 Lbs
- Additional Features: LCD Screen, Built-in LED Flashlight, Multiple Safety Features
- Inputs: AC/DC/USB/Type-C
- Usb Output: 2 X USB-A (5V, 2.4A), 1 X USB-C (5V, 3A)
- Recharge Time: 8 Hours (AC), 14 Hours (Solar Panel)
- Highlight: **500W AC Output Portable Outdoor Power Station, 12V DC Output Outdoor Power Generator, Lightweight 13.32 Lbs Portable Power Source**

## Product Description

### Portable Outdoor Power Station

#### Reliable Power Solution for Outdoor Adventures

This portable power station is designed for outdoor enthusiasts and adventurers needing reliable power on the go. Its robust design and versatile features make it perfect for camping, tailgating, emergencies, and other outdoor activities where electricity access may be limited.

#### Key Features

- **Built-in LCD screen** for real-time monitoring of battery level, power output, and charging status
- **Bright LED flashlight** for nighttime use and emergencies
- **Multiple safety features** including overload, overheating, and short circuit protection
- **Lightweight design** at just 13.32 lbs for easy portability
- **500W AC output** to power various devices
- **Multiple charging options**: 2 USB-A ports (5V, 2.4A) and 1 USB-C port (5V, 3A)
- **Wide operating temperature range** (-10 to 50 ) for diverse environments

#### Technical Specifications

Parameter	Value
AC Output	500W
DC Output	12V, 10A
Rated Output Voltage	100V/110V/120V/220V/230V/240V
In Car Charging	96W
Charging Temperature	0 -45
Solar Charge Time	7-8 Hours
Recharge Time (AC)	8 Hours
Recharge Time (Solar Panel)	14 Hours
Weight	13.32 Lbs
Warranty	24 Months

#### Applications

This versatile power station is ideal for camping, hiking, tailgating, and emergency preparedness. Its durable, weather-resistant design in green and black color scheme makes it suitable for various outdoor environments.

#### Customization Options

- WiFi-enabled app for remote monitoring and control
- 24-month warranty for long-term reliability
- Lightweight 13.32 lbs design for easy transport
- Wide operating temperature range (-10 to 50 )
