Basic Information

Product Specification

- Additional Features: LCD Screen, Built-in LED Flashlight, Multiple Safety Features
- Weight: 13.32 Lbs
- Charging Temperature: 0 -45
- Warranty: 24 Months
- Rated Output Voltage: 100V/ 110V/ 120V220V/ 230V240V
- Operating Temperature: -10 ~50
- Solar Charge Time: 7-8 Hours
- Ac Output: 500W
- Highlight: **96W In Car Charging Portable Outdoor Power Station**
, 500W AC Output Portable Power Source,
13.32 Lbs Weight Outdoor Power Generator

Product Description

Convenient In Car Charging 96W Portable Outdoor Power Station with LCD Screen and 12V DC Output

Product Overview

This lightweight (13.32 lbs) portable power station delivers reliable off-grid electricity for camping, outdoor events, and emergency preparedness. With 500W AC output and WiFi connectivity for app control, it powers devices and small appliances in temperatures from -10 to 50 . The LCD screen displays real-time battery status and power metrics.

Key Features

- **Multi-port charging:** 2× USB-A (5V/2.4A) + 1× USB-C (5V/3A)
- **Fast in-car charging:** 96W DC input
- **Smart monitoring:** WiFi connectivity with companion app
- **Emergency ready:** Built-in LED flashlight
- **All-weather operation:** -10 to 50 range
- **Safety protected:** Overload, short circuit, and temperature protection

Technical Specifications

Parameter	Details
AC Output	500W (100V/110V/120V/220V/230V/240V)
DC Output	12V, 10A
USB Ports	2× USB-A (5V/2.4A), 1× USB-C (5V/3A)
In-Car Charging	96W
Solar Charge Time	7-8 hours
Operating Temperature	-10 to 50
Charging Temperature	0 to 45
Weight	13.32 lbs (6.04 kg)
Warranty	24 months

Applications

Ideal for camping, outdoor events, and emergency power backup. Powers electronics, lights, and small appliances during:

- RV trips and tailgating
- Remote work setups
- Emergency medical equipment
- Outdoor photography/videography
- Natural disaster preparedness

Customization Options

Available modifications include voltage output configuration (100V-240V), solar charging optimization, and USB port arrangements. Contact us for OEM/ODM solutions.

All specifications subject to customization based on project requirements.
