Basic Information

Product Specification

- Weight: 13.32 Lbs
- Additional Features: LCD Screen, Built-in LED Flashlight, Multiple Safety Features
- Charging Temperature: 0 -45
- Recharge Time: 8 Hours (AC), 14 Hours (Solar Panel)
- Solar Charge Time: 7-8 Hours
- Ac Output: 500W
- Inputs: AC/DC/USB/Type-C
- In Car Charging: 96W
- Highlight: **500W AC Output Portable Power Station, 0 -45 Charging Temperature Portable Power Station, 8 Hours AC Recharge Time Portable Power Station**

Product Description

AC Output 500W Portable Power Generator with AC/DC/USB/Type-C Inputs

Product Overview

The Portable Outdoor Power Station provides reliable on-the-go power for camping, hiking, and outdoor adventures. This versatile power source features multiple charging options and safety features to keep your essential devices powered in any environment.

Key Features

- **500W AC output** for powering various devices
- **Multiple charging options:** AC/DC/USB/Type-C inputs
- **96W in-car charging** capability for road trips
- **LCD screen** for real-time battery monitoring
- **Built-in LED flashlight** for low-light conditions
- **WiFi app control** for remote monitoring
- **Lightweight design:** Only 13.32 lbs for easy portability
- **Multiple safety protections** against overcharging and short circuits

Technical Specifications

Parameter	Specification
AC Output	500W
DC Output	12V, 10A
USB Output	2 × USB-A (5V, 2.4A), 1 × USB-C (5V, 3A)
Input Voltage	100V/110V/120V/220V/230V/240V
Recharge Time	8 hours (AC), 7-8 hours (Solar), 14 hours (Solar Panel)
In-Car Charging	96W
Operating Temperature	0 to 45
Weight	13.32 lbs
Color	Green + Black

Applications

This portable power station is ideal for camping, hiking, road trips, emergency power backup, and outdoor activities where access to traditional power sources is limited. It can charge smartphones, tablets, cameras, and other small electronic devices.

Customization Options

- Adjustable charging temperature range (0 -45)
- Optimized solar charge time (7-8 hours)
- Custom USB output configurations available
- Multiple input options (AC/DC/USB/Type-C)

Includes 24-month warranty for quality assurance.
