

High Power and Super-Brightness Introducing the A10 Series LED Car Headlight Bulbs

Our Product Introduction

for more products please visit us on outdoorpower-station.com

Basic Information

- Brand Name: TIANJIN TOEC HUADIAN TECHNOLOGY CO., LTD
- Model Number: HD-YXF-A10-H11/H7

Product Specification

- Housing Material: Aviation Aluminum
- Light Source: Auto-class LED Modules
- Input Voltage: DC12-24V
- Start Power: 85W $\pm$ 10%
- Stable Power: 65W $\pm$ 10%
- Lumen: 8500LM
- CCT: 5700K-6500K
- Heat Dissipation Type: High Speed Mute Fan
- Highlight: **high power LED car headlight bulbs, super-brightness LED headlight bulbs, A10 Series LED headlight bulbs**

Product Description

We usually export large quantities to foreign countries. Hope to find more trade partners.

Introducing the A10 Series LED Headlights – the perfect blend of HIGH POWER and SUPER-BRIGHTNESS!

Boasting an 85W power output and an impressive 8500LM luminous flux, these headlights ensure outstanding visibility for your drives. The housing is made from aviation aluminum, guaranteeing durability and efficient heat dissipation, which is further enhanced by high-speed mute fans.

Equipped with auto-class LED modules and a color temperature ranging from 5700K to 6500K, they provide clear and natural lighting. Designed for DC12 - 24V input voltage, they offer reliable performance with a start power of $85W \pm 10\%$ and a stable power of $65W \pm 10\%$.

Plus, they meet EU ECE R10 regulations and come with features like super heat dissipation, auto-class power supply, auto-class level LED chips, and customized high-temperature resistance fans.

Upgrade your driving experience with the A10 Series LED headlights today!
