

## Effortless Installation Upgrade Your Headlights with P19 LED Car Headlight Bulbs

### Our Product Introduction

#### Basic Information

- Brand Name: TIANJIN TOEC HUADIAN TECHNOLOGY CO., LTD
- Model Number: HD-OPN-P19

#### Product Specification

- POWER: 300W
- LUMEN: 50000LM
- CHIP: CSP 4775
- COLOR TEMPERATURE: 6500K
- Highlight: **P19 LED headlight bulbs, effortless installation car bulbs, upgrade car headlight bulbs**

## Product Description

We usually export large quantities to foreign countries. Hope to find more trade partners.

### P19 LED Headlights - Super Bright for Unbeatable Night Vision

Tired of struggling to see clearly on dark roads at night? The P19 LED headlights are here to revolutionize your driving experience! With an astonishing 300W power and a massive 50000LM luminous flux, these headlights deliver ultra - bright light. Paired with CSP 4775 chips and a 6500K color temperature, they provide sharp, daylight - like illumination, ensuring you can spot every detail on the road ahead, from road signs to potential obstacles.

What's more, they offer fast startup, so you get bright light instantly when you need it. Easy installation means you can upgrade your headlights without hassle. Boasting a 50000HRS lifespan and a high - rotary - speed fan for efficient heat dissipation, the P19 is built to last.

Don't let poor visibility ruin your night drives. Choose P19 LED headlights for super - bright, reliable performance. Get yours today and light up the road like never before!
