

High-Performance P18 LED Car Headlight Bulbs Illuminate Your Journey with Excellence

Our Product Introduction

Basic Information

- Brand Name: TIANJIN TOEC HUADIAN TECHNOLOGY CO., LTD
- Model Number: HD-OPN-P18

Product Specification

- POWER: 250W
- LUMEN: 45000LM
- CHIP: CSP 4575
- COLOR TEMPERATURE: 6500K
- Highlight: **P18 LED car headlight bulbs,
high-performance LED headlight bulbs,
car LED bulbs with warranty**

Product Description

We usually export large quantities to foreign countries. Hope to find more trade partners.

P18 Patented LED Headlights - Illuminate Your Journey with Excellence

Are you seeking headlights that offer top - notch performance and exclusive technology? Look no further than the P18 patented LED headlights!

With a robust 2500W power output, these headlights emit a dazzling 45000LM of light, ensuring you have a clear view of the road ahead even in the darkest conditions. The CSP 4575 chips combined with a 6500K color temperature provide bright, white light similar to natural daylight.

The P18 features fast startup, so you don't have to wait for the lights to reach full brightness. Installation is a breeze, saving you time and effort. With a remarkable 50000HRS lifespan and a high - rotary - speed fan for efficient heat dissipation, these headlights are built to last.

Owning a set of P18 patented LED headlights not only upgrades your driving safety but also gives you the advantage of a unique, patented design. Don't miss out on this opportunity to enhance your driving experience. Order your P18 headlights today and see the road like never before!
