

Get Ready for Ultimate Night Driving with A10 LED Car Headlight Bulbs High Power Brightness for Clear Roads

Our Product Introduction

Basic Information

- Brand Name: TIANJIN TOEC HUADIAN TECHNOLOGY CO., LTD
- Model Number: HD-XYF-A10

Product Specification

- INPUT VOLTAGE: DC12-24V
- START POWER: 85W±10%
- STABLE POWER: 65W±10%
- LUMEN: 8500LM
- Highlight: **A10 LED car headlight bulbs,
high brightness LED headlights,
night driving LED bulbs**

Product Description

We usually export large quantities to foreign countries. Hope to find more trade partners.

A10 LED Headlights - High Power & Super Brightness for Ultimate Night Driving

Are you tired of dim headlights that make night driving a challenge? Say hello to the A10 LED Headlights – your ticket to unparalleled visibility and safety on the road!

Power & Brightness That Impress

With an 85W start power ($\pm 10\%$) and a stable 65W power ($\pm 10\%$), these headlights deliver a stunning 8500LM of luminous flux. Whether you're cruising on highways or navigating dark country roads, the A10 ensures every detail of the road ahead is crystal clear.

Top - Notch Build & Technology

Housing Material: Crafted from aviation aluminum, ensuring durability and excellent heat dissipation.

Light Source: Features auto - class LED modules, providing bright and reliable illumination.

Input Voltage: Compatible with DC12 - 24V, making it suitable for a wide range of vehicles.

Color Temperature: Ranging from 5700K to 6500K, the light is close to natural daylight, reducing eye strain during night drives.

Heat Dissipation: Equipped with a high - speed mute fan, keeping the headlights cool for long - lasting performance.

Certified Quality & Advanced Features

Meets ECE R10 EU regulation standards, guaranteeing safety and quality.

Boasts super heat dissipation, auto - class power supply, auto - class level LED chips, and a customized high - temperature resistance fan.

Compatible with Multiple Models

Available for H11 and H7 headlight models, making it easy to upgrade your vehicle's lighting system.

Don't let poor lighting hold you back. Upgrade to the A10 LED Headlights today and experience the difference in night driving!

Order now and light up your journey like never before!
