

Unbeatable Night Driving with A11 LED Car Headlight Bulbs High Power Super Brightness Guaranteed

Our Product Introduction

Basic Information

- Brand Name: TIANJIN TOEC HUADIAN TECHNOLOGY CO., LTD
- Model Number: HD-XYF-A11

Product Specification

- INPUT VOLTAGE: DC12-24V
- START POWER: 200W±10%
- STABLE POWER: 100W±10%
- LUMEN: 19000LM
- Highlight: **A11 LED car headlight bulbs,
high power LED headlight bulbs,
super brightness car headlight bulbs**

Product Description

We usually export large quantities to foreign countries. Hope to find more trade partners.

A11 LED Headlights - High Power & Super Brightness for Unbeatable Night Driving

Fed up with struggling to see clearly on dark roads at night? The A11 LED Headlights are here to revolutionize your driving experience!

Unrivaled Power and Brightness

Boasting a start power of 200W ($\pm 10\%$) and a stable power of 100W ($\pm 10\%$), these headlights emit an astonishing 19000LM of light. Whether you're cruising on highways or navigating rural roads, the A11 ensures every detail of the road ahead is vividly illuminated.

Top - Tier Build and Advanced Features

Housing Material: Crafted from aviation aluminum, guaranteeing durability and excellent heat conduction.

Light Source: Equipped with auto - class LED modules, providing bright and reliable illumination.

Input Voltage: Compatible with DC12 - 24V, suitable for a wide range of vehicles.

Color Temperature: Ranging from 5700K to 6500K, the light is close to natural daylight, reducing eye fatigue during night drives.

Heat Dissipation: Features a high - speed mute fan and 4 copper heat pipes, effectively keeping the headlights cool for long - term performance.

Certified Quality and Outstanding Advantages

Meets the ECE R10 EU regulation standard, ensuring safety and quality.

Boasts super heat dissipation, auto - class power supply, auto - class level LED chips, and a customized high - temperature resistance fan.

Compatible with Multiple Models

Available for H11 and H7 headlight models, making it easy to upgrade your vehicle's lighting system.

Don't let poor lighting hold you back at night. Choose the A11 LED Headlights for powerful and bright illumination. Order now and light up your journey like never before!
