

F13 LED Car Headlight Bulbs High Power amp Brightness

Our Product Introduction

for more products please visit us on outdoorpower-station.com

Basic Information

- Brand Name: TIANJIN TOEC HUADIAN TECHNOLOGY CO., LTD
- Model Number: HD-XYF-F13

Product Specification

- INPUT VOLTAGE: DC12-24V
- START POWER: 55W±10%
- STABLE POWER: 50W±10%
- LUMEN: 5000LM
- Highlight: **F13 LED car headlight bulbs,
high power LED headlight bulbs,
bright LED car headlight bulbs**

Product Description

We usually export large quantities to foreign countries. Hope to find more trade partners.

F13 LED Headlights - High Power & Super Brightness for Safer Night Driving

Tired of squinting to see the road at night? The F13 LED Headlights are here to be your ultimate night - driving companion!

Impressive Power and Brightness

With a start power of 55W ($\pm 10\%$) and a stable power of 50W ($\pm 10\%$), these headlights emit a remarkable 5000LM of light. Whether you're on a dark country road or a poorly lit city street, the F13 ensures you have a clear view of what's ahead.

Top - Notch Construction and Features

Housing Material: Made from aviation aluminum, which is durable and great at conducting heat.

Light Source: Uses auto - class LED modules, providing bright and dependable illumination.

Input Voltage: Works with DC12 - 24V, fitting a wide variety of vehicles.

Color Temperature: Ranges from 5700K to 6500K, giving off light similar to natural daylight and reducing eye strain during night drives.

Heat Dissipation: Comes with a high - speed mute fan and a single heat pipe, keeping the headlights cool for long - lasting use.

Certified Quality and Excellent Benefits

Meets the ECE R10 EU regulation standard, so you can trust its safety and quality.

Boasts super heat dissipation, an auto - class power supply, auto - class level LED chips, aviation aluminum construction, and a customized high - temperature resistance fan.

Fits Multiple Models

Available for H11 and H7 headlight models, making it easy to upgrade your vehicle's lighting.

Don't let dark roads slow you down. Choose the F13 LED Headlights for powerful and bright lighting. Order now and make your night drives safer and clearer!
