- Application: AC Home Charging
- Highlight: **Portable EV car charger with adjustable power,
EV car charger for road trips,
Multi-plug portable EV charger**

Product Description

We usually export large quantities to foreign countries. Hope to find more trade partners.

Your Electric Vehicle, No Matter the Model — One Charger Fits All

Whether you drive a Tesla, Hyundai, BMW, Nissan, or BYD — HD Portable EV Charger 3.0 is built for universal compatibility.

Supports 4 Major Plug Types:

- ✓ Type 1 (J1772) – North America & Japan
- ✓ Type 2 (Mennekes) – Europe & Global
- ✓ GB/T – China Standard
- ✓ Tesla (with adapter)

Ideal for Road Trips, Camping, and Emergency Charging

With its portable design, 5-meter cable, and IP67 waterproof rating, it's ready for any adventure — rain, shine, or unexpected detours.

Adjustable Output: 10A–32A

Choose from 3.5kW to 22kW output power depending on your vehicle and outlet capacity.

Plug & Go Simplicity

No installation needed. Just plug into a standard 110–240V AC outlet and start charging.
