

Portable EV Car Charger Meeting Global Safety Certifications Including TUV CE UKCA and FCC for Trusted in Various Markets

Our Product Introduction

Basic Information

- Brand Name: TIANJIN TOEC HUADIAN TECHNOLOGY CO., LTD
- Model Number: HD-MWB-T2-3.0

Product Specification

- Output Current: AC
- Output Power: 3.5KW/7KW/11KW/22KW
- Input Voltage: 200-220V, 220V
- IP Grade: IP67
- Color: Customized Color
- Application: AC Home Charging
- Highlight: **Portable EV charger with global certifications, TUV CE certified EV car charger, UKCA FCC compliant portable charger**

Product Description

We usually export large quantities to foreign countries. Hope to find more trade partners.

Safety First. Always.

When it comes to EV charging, safety isn't optional — it's essential. Our Portable EV Charger 3.0 features 8-layer intelligent protection systems to keep you, your car, and your home safe at all times.

Comprehensive Protection System Includes:

Waterproof & Dustproof (IP67)
Overcurrent / Overvoltage / Undervoltage Protection
Leakage Current Protection
Lightning Surge Protection
Short Circuit & Electrostatic Protection
Temperature Control Monitoring

Smart Auto-Shutdown

Detects faults instantly and stops charging automatically — preventing damage and reducing fire risk.

Global Certifications

Meets TUV, CE, UKCA, FCC standards — rigorously tested for performance and safety under real-world conditions.

Built to Last

With a 2-year warranty and durable construction, this charger is made for daily use, year after year.
