Basic Information

- Brand Name: TIANJIN TOEC HUADIAN TECHNOLOGY CO., LTD
- Model Number: J1772 to NACS

Product Specification

- Rated Current: 80A
- Rated Voltage: 240VAC
- IP Grade: IP54
- Power: 19.2KW
- Work Temp: -30 - +50
- Weight: 0.2kg
- Highlight: J1772 to NACS Tesla adapter ,
Tesla EV charger adapter with overheat
protection
, compact lightweight J1772 adapter for Tesla

Product Description

We usually export large quantities to foreign countries. Hope to find more trade partners.

Unlock Universal Charging: The J1772 to NACS Adapter for Tesla Owners

For Tesla drivers who want seamless access to the world's most widespread EV charging network, our **J1772 to NACS Adapter** is the essential bridge between convenience and compatibility. Designed for both replacement and repair, this adapter turns any J1772 charging station into a direct power source for your Tesla, so you can charge faster, travel further, and never be limited by connector type again.

Power That Keeps Up With Your Life

19.2kW High-Speed Charging: With an 80A rated current and 240VAC voltage, this adapter delivers efficient, reliable power that cuts down charging time—perfect for home, work, or public stations.

Ultra-Compact Design: Weighing only 0.2kg and measuring 87.4×60.76×50.96mm, it fits effortlessly in your glove box or center console, ready whenever you need a quick top-up.

All-Weather Performance: Built to operate flawlessly from -30°C to +50°C, it's as tough as the roads you drive, ensuring consistent power in any climate.

Safety You Can Trust, Every Time

IP54 Waterproof & Dustproof: Rain, snow, or dusty parking lots won't compromise your charge. The rugged, high-quality construction keeps you safe in any environment.

Overheat Protection: Advanced thermal safeguards prevent overheating during extended charging, protecting both your vehicle and the adapter for long-term use.

Globally Certified Excellence: Backed by CE, UL, ROHS, CSA, FCC, and TUV certifications, this adapter meets the strictest international safety standards—trusted for both personal use and professional repairs.

Built to Last, Backed by Confidence

We stand behind the quality of our engineering with a **12-month warranty**, giving you complete peace of mind for every charge. Whether you're a daily commuter, a weekend adventurer, or a professional EV technician, this adapter is the reliable choice for uncompromising performance and universal compatibility. Stop letting charging connectors limit your journey. Unlock the full potential of your Tesla with the J1772 to NACS Adapter—where convenience, speed, and safety meet.
